### ***People. Fit. Perfectly.***

*These three words capture the essence of what we do at Aerotek. We provide people who fit the position and our client's need perfectly. Aerotek takes the time to get to know "the person behind the resume." We do this so that we can successfully place them in the job that fits their unique skills and abilities. Today, our national network of non-franchised offices allows Aerotek to provide personalized, consistent service across the country.*
